Rob or Stan,

Could either one of you ask EPA/CDM if they will be participating in the bench-scale testing confirmation sampling? CH2M HILL would like to plan sampling day logistics.

Thanks,

Roger

Stephanie and Sharon,

Unfortunately, the dates the soil washing vendors will be ready for confirmation sampling has changed.

The confirmation sampling dates are as follows;

Pear/GWTT - New Jersey location - Wednesday, August 1st

BioGenesis - Wisconsin location - Wednesday, August 8th

I apologize for this change,

Roger
